A Calm
Space Helps
Me Focus

What is a Cubbie?

A Cubbie is a safe, soundproof space where students can take a break, manage their emotions and self-regulate.

We are raising money to buy a Cubbie.

Our students told us how important it is to have a quiet space where they can feel calm, relax, focus and take a break.

A Cubbie will support their wellbeing and help them return to learning feeling calm, ready and able to thrive.
